Come Out Of Babylon To Serve Me, The Risen Christ

“My son, I Am with you. That dream you had, that was from Me. Jezebel rules the land through her wicked empire of Babylon. It was set up to please her, to support her in all ways. Babylon exists to please wicked Jezebel, to serve her in the world. My son, you see this exists in all places. The end of Jezebel is to oppose Me in all ways through the power of witchcraft, My son. That is what she is all about, wicked Jezebel exists for the end-time power of witchcraft in all things. Sorcery is the power that runs her life through sexual immorality. She exists for her own carnal pleasures, not Me, My son. She loves sin, and all the things of Satan are at her disposal, My son. My people do not love Me, they love self, the carnal self of sin, the power of wickedness, My son. Carnality in pleasing self is the driving force in My peoples’ lives, not Me, My son. Pleasure in all things is what they want, not pleasure in Me. Satanic pleasure is what they want. Does not My Word say that lovers of pleasure is what My people want before Me? My people are full of carnality, and Babylon exists to please them in all things, the end-times Satanic empire. Few will flee its clutches to serve Me in all things, leaving Babylon to do My will, My son. The world emulates wicked Babylon, wants to serve it, to do its will, to submit unto its sorcery power through evil deception. Few will escape its clutches through money power to do My will– My true ministers are few and ministries of truth exist to do My will in the land are few. My true ministers exist to please Me– they are few, My son. Few can accept a true minister who is not aligned with Babylon– that’s why My Word says preach to the poor. Few will be saved, My son, to come out of end-times Babylon to serve Me, not depending on the power of money but in Me in all things, My son. Few will do My will because My called elect are few. Few will do My will and come out of Babylon even though many of My people are called to serve Me, My son. Few will serve Me the proper way in all things because few are My elect, My son. I Am in command of all things, and few will trust Me in all things to overcome Babylon, the world of sin, and wicked Jezebel within her, My son. The world exists for your overcoming, to submit unto My pleasure at My Right Hand, and pleasures forevermore in My Presence. That is where you must be, at My Right Hand, fulfilling all My will for your life. My son, your strength is in My joy for your life, not in the pleasure of sin. Many are entrapped in it. Come out of Babylon to serve Me in all things in My pleasure, My son, not the world. Depend on Me for all things, not in the power of the world and its finances, My son. That is where your true strength lies, in Me, not in the world of Babylon and its wicked pleasures of sin. Fulfill all your will in doing My will for your life– that is your eternal destiny, for all who do My will shall endure forever before Me, My son, not your will be done. Few can do that, to exist before Me in doing all My will, not that of your own. Few are My elect who exist by My power, not their own. Your LORD has spoken, amen and amen.”
